

Window EXTERIOR TRIM

EXTERIOR TRIM

Brickmold is a decorative trim that is attached to the exterior of your window frame to give a finished look where it meets the brick or siding on your home.

EXTERIOR COLOURS

Blending exterior window colours with your siding, instead of using white, may seem like a subtle change, but it can make an enormous difference to coordinating the exterior of your home and creating an architecturally designed and professionally finished look.

Colour matching is available by custom order. Ask your dealer for details.

*COLOURS MAY VARY DUE TO PRINTING LIMITATIONS.
